

## A guide to naming your files

To allow us to identify each band in each grade in each event that you have entered, we need the upload file 'Filename' to be in the following format:

- 1/. First, the two-digit Event Number (i.e. 01 to 99 including leading zero) – see next pages for Event Numbers
- 2/. A Hyphen ( - )
- 3/ The Name of the Band (Preferably the same as the Name on your registration list)
- 4/. A Hyphen ( - )
- 5/. The name of the Grade (from the list below)
- 6/. A Hyphen ( - )
- 7/. Description of the File (Video, Score)
